

BUILD THE COMMUNITY, BUILD YOUR FUTURE.

"Quality of product, service to the community, and the future of our environment."

CAREER OPPORTUNITY:

Rolling Stock Equipment Mechanic

Maintenance – Appleton & Crivitz Shop

Are you looking for a rewarding career with benefits, room for advancement, and versatility?

MCC, Inc. is seeking a motivated and detail-oriented candidate to join our team!

Qualified candidates will be responsible for:

- Provide technical assistance to diagnose, troubleshoot, service, or repair heavy equipment, light equipment, and trucks
- Diagnose, troubleshoot, service, or repair the various systems found on equipment and trucks such as mechanical and computer electronic controls, air brake systems, transmissions, computer controlled automatic, propane powered equipment, and pneumatic systems
- Fabricate, modify, and install special equipment or replacement parts using welders, torch sets, plasma cutter and metal cutting saws
- Perform routine maintenance checks and adjustments on such things as fluid levels, hoses, belts, brakes, tires, and clutches; changes filters and oil, and lubricates vehicles and motor driven equipment.
- Perform DOT Inspections – Certify vehicles compliant with FMCSA regulations
- Communicate effectively with supervisors, co-workers, and other appropriate personnel to ensure all maintenance of equipment is completed for efficient business operations
- Ensure compliance with all rules and regulations for safe operations according to appropriate governing agencies and company policies
- Other duties as required

Qualified candidates should have:

- 1-2 Years mechanical experience or training preferred
- Must provide your own basic set of tools with the ability to expand tools as needed
- Certified to perform DOT Inspections preferred, or willingness to obtain certification
- High School Diploma or equivalent, with the understanding of basic math
- Must be able to handle multiple tasks and priorities in a fast paced work environment
- Possess valid State of Wisconsin Driving License and satisfactory driving record (**Class D required**)
- Communication skills, both verbal and written; including the ability to provide and comprehend clear instructions or directions (both general and technical)
- Reasoning Skills (problem solving and troubleshooting skills)
- Independent judgment and decision making skills, with the ability to work well under pressure and respond to emergencies quickly

Benefits:

- Full Benefits Package (Medical/Dental/Vision/401k/HSA/FSA, and more!)
- CDL Reimbursement Program
- On the job training, career planning, and advancement opportunities!
