

BUILD THE COMMUNITY, BUILD YOUR FUTURE.

"Quality of product, service to the community, and the future of our environment."

CAREER OPPORTUNITY:

Project Estimator/ Project Manager

Appleton Location

Are you looking for a rewarding career with benefits, room for advancement, and versatility?
MCC, Inc. is seeking a motivated and detail-oriented candidate to join our team!

Qualified candidates will be responsible for:

- Successfully managing multiple projects from start to finish, incorporating all aspects of project requirements
- Independent bidding and managing complex projects ranging from small scale commercial sub- contracts to large scale municipal prime contracts
- Reading specifications such as blueprints to determine construction requirements and plan procedures
- Locate, measure, and mark site locations and placement of structures and equipment, using measuring and marking equipment
- Coordinate work activities with other construction project activities
- Provide on-site crew assistance, oversee workers in construction methods, operation of equipment, safety procedures, and company policies
- Communicate daily with multiple departments and team members to ensure safe and efficient business operations
- Comply with federal, state, and company policies, procedures, and regulations
- Other duties as assigned

Qualified candidates should have:

- Minimum of 4 years of project management experience in construction or manufacturing
- Strong leadership and management skills with the ability to develop strong trusting relationships in order to gain support and achieve results
- Motivated, with independent judgment and decision making skills, with the ability to problem solve
- High level of accuracy and attention to detail, with the ability to establish priorities and work within project deadlines
- Excellent verbal and written communication, including interpersonal skills, and experience with consulting, conflict management, and negotiation
- Plan takeoff utilizing Business Center, with knowledge of GPS and CAD Drafting
- Ability to handle and assign multiple tasks and priorities in a fast paced environment
- Possess valid State of Wisconsin Driving License and satisfactory driving record
- High School Diploma or Equivalent, with an understanding of basic math preferred

Benefits:

- Full Benefits Package (Medical/Dental/Vision/401k/HSA/FSA, and more!)
- CDL Reimbursement Program
- On the job training, career planning, and advancement opportunities!
