

**BUILD THE COMMUNITY,
BUILD YOUR FUTURE.**

**CAREER OPPORTUNITY:
General Laborer - Construction**
Fox Cities – Wisconsin

Are you looking for a rewarding career, and a chance to help build your community? Do you enjoy variety and working in a team environment? MCC, Inc. is looking for motivated and detail-oriented candidates to join our team! **No experience? Don't worry, we provide on the job training!**

General Laborer Responsibilities:

General Laborers are vital team members on our construction crews and are responsible for assisting with the setup and preparation of our job sites. Through training, General Laborers will learn to complete various projects and job site specifications by communicating and working as a team with other crew members. Responsibilities also include manual labor such as raking and shoveling, traffic control, loading and unloading jobsite materials, machinery, and tools.

Safety is a top priority at MCC, Inc. General Laborers must be able to work safely on all job sites around moving equipment and traffic, and in various weather conditions. This includes ensuring compliance with all work-place rules and regulations according to company policy, and all governing agencies.

MCC, Inc. is a versatile company that requires employees to cross-train on other duties or work-tasks as assigned. With the successful completion of our training programs the General Labor position can also offer advancement opportunities such as learning to operate jobsite equipment.

General Laborer Requirements:

- Communication skills, both verbal and written; including the ability to provide and comprehend clear instructions or directions (both general and technical)
- Reasoning Skills (problem solving and troubleshooting skills)
- Must be able to handle multiple tasks and priorities in a fast paced work environment
- Ability to assess and report job site hazards and work safely to prevent accidents and injuries
- Mechanical capabilities helpful, but not required
- High School Diploma or Equivalent, with an understanding of basic math preferred
- Class A CDL with tanker endorsement preferred
