

**BUILD THE COMMUNITY,
BUILD YOUR FUTURE.**

**CAREER OPPORTUNITY:
Screed Equipment Operator**
Fox Cities – Wisconsin

Are you looking for a rewarding career, and a chance to help build your community? Do you enjoy variety and working in a team environment? MCC, Inc. is looking for motivated and detail-oriented candidates to join our team!

Screed Operator Responsibilities:

Screed Operators are vital team members on our asphalt paving crews who are responsible for safely operating the controls on our asphalt paving equipment. Through training Screed Operators will learn to control the quantity and consistency of materials being deposited from the equipment during the asphalt paving process. Screed Operators must communicate and work as part of a team to ensure all job site specifications are met. This includes learning to operate other types of equipment, hauling equipment and materials to work locations, manual labor, and traffic control. Screed Operators will also communicate with customers or the general public, and respond to inquiries or problem solving.

Safety is a top priority at MCC, Inc. Screed Operators must be able to work safely on all job sites around moving equipment and traffic, and in various weather conditions. This includes ensuring compliance with all work-place rules and regulations according to company policy, and all governing agencies.

MCC, Inc. is a versatile company that requires employees to cross-train on other duties or work-tasks as assigned, such as operating other types of equipment. On the job training is provided to ensure all qualified candidates acclimate to MCC, Inc.'s various workplace policies and procedures.

Equipment Operator Requirements:

- Knowledge of paving equipment and the paving process with a good safety record required
- Communication skills, both verbal and written; including the ability to provide and comprehend clear instructions or directions (both general and technical)
- Class A CDL with tanker endorsement preferred
- High School Diploma or Equivalent, with an understanding of basic math preferred
- Reasoning Skills (problem solving and troubleshooting skills)
- Must be able to handle multiple tasks and priorities in a fast paced work environment
- Mechanical capabilities as preferred
- Ability to assess and report various hazards and work safely to prevent accidents and injuries

BUILDING YOUR FUTURE WITH MCC, INC.
