CAREER OPPORTUNITY: HEAVY EQUIPMENT MECNANIC

Appleton, WI

Are you looking for a rewarding and challenging career? Do you enjoy variety and working in a fast-paced environment? MCC, Inc. is looking for motivated and detail-oriented candidates to join our team.

No experience? Don't worry, we provide on the job training!

Heavy Equipment Mechanic Responsibilities:

Heavy Equipment Mechanics are responsible for providing routine maintenance on heavy equipment, light equipment, and trucks. Duties also include diagnostics, troubleshooting, servicing, or repairing various equipment, trucks, and other related systems. Systems include, but are not limited to, electrical controls, brake systems, transmissions, and pneumatic controls. Mechanics must be able to communicate effectively and work in a team environment to provide technical assistance and collaborate on repairs. At times mechanics may be required to fabricate, modify, or install special equipment or replacement parts using welders, torch sets, plasma cutters, metal cutting saws, or other specialized equipment.

Safety is a top priority at MCC, Inc. mechanics are expected to work safely on all job sites, around all types of moving equipment and traffic. Mechanics are responsible for maintaining a clean working environment and ensuring compliance with all work-place rules and regulations according to company policy, and all governing agencies.

MCC, Inc. is a versatile company that requires employees to cross-train on other duties or work-tasks as assigned.

Heavy Equipment Mechanic Requirements:

- 1-2 years mechanical experience or training preferred
- Must provide your own basic set of tools with the ability to expand tools as needed
- Self-Motivated with independent judgment skills to perform work tasks without supervision
- Communication skills, both verbal and written; including the ability to provide and comprehend clear instructions or directions (both general and technical)
- High level of accuracy and attention to detail to ensure quality of work
- Reasoning Skills (problem solving and troubleshooting skills) with the ability to respond to emergencies quickly
- Must be able to handle multiple tasks and priorities in a fast paced work environment
- High School Diploma or Equivalent, with an understanding of basic Math Skills preferred
- Ability to assess various job site hazards and work safely to prevent accidents and injuries
- Possess valid State of Wisconsin Driving License and satisfactory driving record preferred
