

**BUILD THE COMMUNITY,  
BUILD YOUR FUTURE.**

**CAREER OPPORTUNITY:  
Plant Manager / Batch Person  
Green Bay, Wisconsin**

Are you looking for a rewarding career? Do you enjoy variety and working in a fast-paced environment? MCC, Inc. is looking for motivated and detail-oriented candidates to join our team!

**Plant Manager / Batch Person Responsibilities:**

The Plant Manager / Batch Person is responsible for overseeing plant operations as well as the concrete operators. Their primary responsibility will be oversight and presentation of the production facility, including, but not limited to plant operation, plant recording, production consumables, stockpiling, inventory, repairs, preventive maintenance schedule, all associated documentation, washout equipment & ponds, and location environmental compliance. This includes assisting with general and preventive maintenance, greasing the plant or other related equipment, and performing manual labor as needed. The ideal candidate will direct, supervise, and ensure continued education of the concrete operators. Plant Manager must be able to work well in a team environment and possess professional customer service skills to be able to assist and communicate effectively with various team members and customers.

Safety is a top priority at MCC, Inc. All team members must be able to work safely on all job sites around moving equipment and traffic, and in various weather conditions. This includes ensuring and promoting compliance with all work-place rules and regulations according to company policy, and all governing agencies.

MCC, Inc. is a versatile company that requires employees to cross-train on other duties or work-tasks as assigned, including but not limited to, operating loaders and other related equipment.

**Plant Manager / Batch Person Requirements:**

- 2-3 Years' experience in the concrete industry and product knowledge preferred.
- Must have good organizational and mechanical skills, plant maintenance experience preferred.
- Basic understanding of Excel and Microsoft Office with the ability to adapt to various computer programs through training.
- Demonstrated professional leadership and management skills.
- Independent judgment and decision-making skills, with the ability to trouble shoot or problem solve.
- Self-motivated to be able to handle multiple tasks and priorities in a fast-paced work environment.
- High School Diploma or Equivalent with an understanding of basic math preferred.
- Strong communications skills (verbal and written) with the ability to take directives from a variety of people and departments.
- Ability to assess and report various hazards and work safely to prevent accidents and injuries.
