

**BUILD THE COMMUNITY,  
BUILD YOUR FUTURE.**

**CAREER OPPORTUNITY:  
Concrete Area Manager**  
Green Bay, Bonduel, and Crivitz Territories

Are you looking for a rewarding career, and a chance to help build your community? Do you enjoy variety and working in a team environment? MCC, Inc. is looking for motivated and detail-oriented candidates to join our team!

**Concrete Area Manager Responsibilities:**

Concrete Area Managers are responsible for acquiring concrete sales in their assigned regions by establishing and maintaining a strong network of customers. On a daily basis they must ensure efficient business operations by communicating with various team members and direct reports such as: dispatch, plant managers, equipment operators, drivers, and other related personnel. For that reason, Area Managers must possess strong communication skills and the ability to prioritize in a fast-paced environment to ensure that they can respond appropriately and in a timely manner to all inquiries or other concerns. Additional duties include providing sales quotes, assisting in dispatch, monitoring plant inventory, ordering materials, and conducting production testing or ensuring that testing is coordinated with appropriate Quality Control personnel as needed.

Safety is a top priority at MCC, Inc. Area Managers must be able to work safely on all job sites around moving equipment and traffic, and in various weather conditions. This included ensuring compliance with all work-place rules and regulations according to company policy, and all governing agencies.

MCC, Inc. is a versatile company that requires employees to cross-train on other duties or work-tasks as assigned.

**Concrete Area Manager Requirements:**

- Sales experience or knowledge of concrete industry and related products preferred.
- High School Diploma or Equivalent, with an understanding of basic math preferred.
- Valid Class D License with acceptable driving record required.
- Motivated with independent judgment and decision-making skills, and the ability to problem solve.
- Possess excellent customer service and relationship building skills to service customer base.
- Strong communication skills, both verbal and written; including the ability to provide and comprehend clear instructions or directions (both general and technical).
- Established computer skills with the ability to adapt to various programs through training.
- Must be detail oriented while handling multiple tasks and priorities in a fast-paced work environment.
- Ability to assess and report various hazards and work safely to prevent accidents and injuries.
